

**What is a School-Parent Compact?**

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students reach or exceed grade-level standards.

**Effective compacts:**

- Link to goals of the student improvement plan
- Focus on student learning
- Describe how teachers will help students develop skills using high quality instruction
- Share strategies with parents
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

**Jointly Developed**

The parents, students and staff at Kingsley Elementary School developed this School-Parent Compact for Achievement. Teachers and Parents reviewed the compact and made suggestions that would improve student learning. Meetings are held each year to review the Compact and make changes based on student need.
